

PARK

PARK DIESEL

Park Diesel Stiga

A ride-on lawnmower with front-mounted deck and genuine articulated steering.

The front mounted deck lets you see what you are cutting and the genuine articulated steering offers unsurpassed manoeuvrability. The Multiclip system cuts and fertilises at the same time. You don't need to rake or empty a collector.

Features are for example; variable speed (hydrostatic) regulated with a foot pedal, mechanical servo, foot controlled attachment lift, One hand adjustable comfort-seat and adjustable steering wheel, hour meter for simplified maintenance and headlight.

The machine is an outstanding implement-carrier. You can for example easily change from a cutting deck, sweeper or edge cutter to a snow blade or snow thrower. Diesel is an efficient fuel and offers you good economy per working-hour.

Equipped with an environment friendly, quiet and fuel-efficient diesel engine with 11 hp.
