

PARK

PARK COMPACT HST

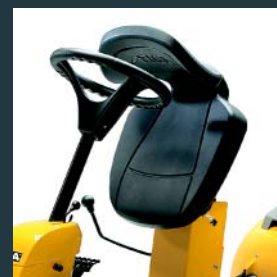

Park Compact HST Stiga

A ride-on lawnmower with front-mounted deck and genuine articulated steering. The lawnmower is design to be compact and satisfy your craving for a low price

The front mounted deck lets you see what you are cutting and the genuine articulated steering offers unsurpassed manoeuvrability. The Multiclip system cuts and fertilises at the same time and also makes the machine quieter. You don't need to rake or emptying a collector.

The ride-on lawnmower is well equipped. Features are for example; foot-controlled attachment lift, adjustable comfort-seat and steering wheel, headlight. Cutting decks are available with a unique system for easy cleaning. The decks have different cutting widths (92 and 107 cm).

Equipped with an environment friendly and quiet engine.
